

The rider

Lisa Li-lund is french and suede. She sings, plays and writes her songs. She plays a lot, everywhere, alone or with musicians she picks on location. She has an impressive discography : 2 distributed albums (one in Brazil, the other in U.K.), 5 self-produced albums and 8 EPs, also self-produced.

The horse

The five voices album is written by Federico (4 tracks) and Lisa (5 tracks). It also includes a depeche Mode cover. It has been recorded in one week at La Coopérative de mai in Clermont-Ferrand just a few months after the first meeting of Lisa and French Cowboy for a co-billed show at Espace Doun near Aix en Provence.

The cowboys

French Cowboy is the band created by four members of the late Little Rabbits, one of the milestone french groups of the nineties. The band includes Federico Pellegrini (guitar), Gaëtan Chataigner (bass), Stéphane Louvain (guitar) and Eric Pifeteau (drums). These last three have been the backing band of now french star Katerine for his *Robots après tout* tour.
